

INDEX TO VOLUME LXVII

A

- Abdomen, Foreign Body Removed from, 380; Inflammatory Tumors of the, 306; Lower, and Pelvis, New Incision for Exposure of the, 180.
- Abdominal Cavity, Upper, Glioma of the, 496; Incision, Closure of the, 578; Transplant, Pedicled, for Finger Contracture, 114; Wound Technic, 183.
- Abscess of Liver Discharging through Bronchi, 631; of Lung, 630.
- Abscesses, Isolated, of Long Bones, 460.
- Ambulance, Improved Military, 226.
- Amputation Stump, Aperiosteal, 765.
- Amputations, Kineplastic, 414.
- Anæmia, Pernicious, Splenectomy for, 233.
- Anæsthesia, Local, for Major Operations, 753.
- Anæsthetics in Oral Surgery, 462.
- ANDRESEN, ALBERT F. R.: Immediate Jejunal Feeding after Gastro-enterostomy, 565.
- Antiseptics, Chlorine, The Use of, in Civil Hospitals, 385, 757.
- Anuria from Stone in Solitary Kidney, 239.
- Appendicitis, Transverse Incision for, 115.
- Appendix, Ascending Colon, Cæcum, and Terminal Ileum, Congenital Variations in the Peritoneal Relations of, 641; Chamber, 116; Congenital Variations in the Peritoneal Relations of, 641; The Distribution of Fat in the, and Its Relation to Inflammation, 202; Pin Perforating, 381; in Sac of Inguinal Hernia, 376.
- Artery, Femoral, Suture of Wound of, 255; Hypogastric, and Its Branches, Composite Study of, 584.
- Asepsis of Skin in Surgery, 510.
- ASHHURST, ASTLEY P. C.: Birth Injuries of the Shoulder, 25.
- ATHANASSIO-BENISTY: The Treatment and Restoration of the Nerves. Review of, 126.

B

- BALFOUR, D. C.: Cautery Excision of Gastric Ulcer, 725; Gastroduodenostomy, 80.
- BANCROFT, F. W.: Use of Small Bone Transplants in Bridging a Bone Defect, 457.
- Banti's Disease, Splenectomy for, 369.
- BARRIE, GEORGE: Fibrocystic and Cystic Lesions in Bone, 354.
- BECK, EMIL G.: Bismuth Paste in War Surgery, 392.
- Bed Designed for Military Hospitals, 435.
- BEHAN, RICHARD J.: Loose Cartilage in the Temporomaxillary Joint, 536.
- BENJAMIN, ARTHUR E.: Accessory Pancreas with Intussusception, 293.
- BERG, ALBERT A.: Regeneration of Bone, 331.
- BEYE, HOWARD L.: Deep Palmar Hand Infections, 152.
- Bile-duct, Common, Duodenal Leakage through the, 236; Common, Injury to the, 619.
- Bile-ducts, Reconstruction of the, 370.
- Bile-passages, Malignant Obstruction of, 273.
- Biliary Tract, Recurrence of Symptoms Following Operations on the, 473.
- BINNIE, JOHN F.: Bilateral Dislocation of Sixth Cervical Vertebra, 383; Treatise on Regional Surgery. Review of, 127.
- Birth Injuries of the Shoulder, 25.
- BLACK, H. R.: Pulmonary Teratoma, 73.
- BLACK, SAMUEL O.: Pulmonary Teratoma, 73.
- Bladder, Contracture of the, Due to Spinal Injury, 533; Urinary Dumb-bell Stone in Diverticulum of, 94; Recognition of Certain Lesions of the Male, 96.
- Blood Counts in Non-infective Surgical Conditions, 129; Transfusion in War Surgery, 1.
- Blood-pressure Observations in Head Traumas, 51.
- Blood-vessel Suturing, The Use of Olive Oil in, 468.

INDEX

- Bone Cysts, 354; Cysts and Giant-cell Sarcoma, 312; Grafts with Madderized Bone, 454; Regeneration, 331; Transplantation in the Surgical Treatment of Paralytic Feet, 163; Transplants, The Use of Small, in Bridging a Bone Defect, 457.
- Bones of the Leg, Compound Fracture of Both, with Amputation, 754; Long, Isolated Abscesses of, 460.
- Bowel, Large, Resection of, at the Rectosigmoidal Junction, 189.
- BRACKETT, ELLIOTT GRAY: Operative Treatment of Fracture of the Spine Uncomplicated by Cord Injury, 513.
- Branchiogenetic Cyst with Sinus Leading into Pharynx, 240.
- Breast, Uterus and Kidney Removed from the Same Patient, 762.
- Bronchial Fistula, Prevention of Permanent, after Lung Resection, 538, 626.
- BROOKS, BARNEY: Intestinal Obstruction: An Experimental Study, 210.
- Brown-Sequard Syndrome after Fracture of the Cervical Spine, 636.
- BUCKNER, H. T.: Apparatus for the Treatment of Compound Fractures of the Forearm, 179.
- Burn, Electric, Causing Necrosis of the Skull, 149.
- C**
- Cæcum, Acute Gangrenous Perforated Diverticulitis of the, 624; Congenital Variations in the Peritoneal Relations of, 641.
- Cancer of the Œsophagus, Gastrostomy for, 750; of Rectum, 504; of Stomach, Long Freedom from Recurrence after Removal of, 237; of Stomach, Relation of Gastric Ulcer to, 715; Therapeutic Value of Radium and Röntgen Rays in, 442; of Undescended Testis, 747.
- Carbuncle of Face with Sinus Thrombosis, 119.
- Carcinoma of the Stomach, The Etiological Relationship of Benign Ulcer to, 215.
- Carcinomatous Degeneration of Ulcer of Stomach, 106.
- Cartilage, Loose, in the Temporomaxillary Joint, 536.
- Cautery Excision of Gastric Ulcer, 725.
- CHATELIN and DE MARTEL on Wounds of the Skull and Brain. Review of, 126.
- Chest, Treatment of Penetrating Gunshot Wounds of the, 707.
- CHILD, CHARLES G., JR.: Closure of the Abdominal Incision, 578.
- Chlorine Antiseptics in Civil Hospital Use, 385, 757.
- Cholecystectomy, Technic of, 620.
- Chondroma of Anterior Surface of Ilium, 247.
- CHURCHMAN, JOHN W.: A New Incision for Exposure of the Lower Abdomen and Pelvis, 180.
- Civil Hospital Use of Chlorine Antiseptics, 385.
- Cleft Palate, Operative Suggestions for Wide Bilateral, 112.
- Clefts of the Face, Congenital, 110.
- COLEY, WILLIAM B.: Case of Morphœa or Scleroderma, 632.
- Colon, Congenital Idiopathic Dilatation of the, 734; Developmental Reconstruction of the, 567.
- CUMSTON, CHARLES GREENE: Treatment of Wounds of the Knee-joint, 170.
- Cyst, Branchiogenetic, with Sinus Leading into Pharynx, 240; Parovarian, in Young Girl, 254.
- Cystic Lesions in Bone, 354.
- Cysts of Bone and So-called Giant-cell Sarcoma, 312.
- D**
- Dakin Fluid, Use of, in Civil Hospitals, 757.
- DAVIS, GWILYM G.: Incision for Appendicitis, 118; Surgery of Spastic Paralysis, 616.
- DELATOUR, H. BEECKMAN: Relief of Umbilical Hernia by the Condemin-Ranshof Technic, 732.
- Depressed Fracture of Skull Over Speech Centre, 632.
- DESJARDINS, A. U.: Left Paraduodenal Hernia, 195.
- Diaphragm, Congenital Hernia of the, 748.
- Dichloramine-T, The Use of, in the Treatment of Infections and Infected Wounds, 14, 120, 757.
- Dilatation and Rupture of the Stomach, 378.
- Diverticulitis of the Cæcum, Acute Gangrenous Perforated, 624; of Urinary Bladder, Dumb-bell Stone in, 94.

INDEX

- DORRANCE, GEORGE M.: The Use of Dichloramine-T as an Antiseptic, 123.
- DOUGLAS, JOHN: Acquired Defect of Urethra, 241; Branchiogenetic Cyst with Sinus Leading into Pharynx, 240; Long Freedom from Recurrence after Removal of Cancer of Stomach, 237; Pneumococcus Peritonitis, 248; Stone in Solitary Kidney: Anuria, 239; Treatment of Traumatic Hæmothorax, Penetrating Gunshot Wounds of the Chest, 707.
- DOWNES, WILLIAM A.: Cancer of Undescended Testis, 747; Congenital Hernia of the Diaphragm, 748; Diagnosis of Solitary Kidney, 240; Effect of Dichloramine-T in the Treatment of Wounds, 757; Effect of Splenectomy, 235; Injury to the Common Bile-Duct, 619; Recurrences of Hernia Cases, 626; Splenectomy for Pernicious Anæmia, 233; Technic of the Removal of the Gall-bladder, 620.
- DRAPER, JOHN WILLIAM: Developmental Reconstruction of the Colon, 567.
- Dumb-bell Stone in Diverticulum of Urinary Bladder, 94.
- DUNHAM, THEODORE: Device for Drainage in Empyema, 372.
- DUVAL, PIERRE: Les Plaies De Guerre Du Poumon. Review of, 251.

E

- Ear, Hereditary Malformation of the, 379.
- ELMER, WALTER G.: Osteo-arthritis from Focal Infection, 614.
- ELSBERG, CHARLES A.: Fracture of the Spine with Cord Symptoms, 108; Fractures of the Spine with Cord and Root Symptoms, 63.
- Empyema, Device for Drainage in, 372; Prognosis and Treatment of, 697.
- Epididymitis, Gonorrhœal, Complicated by Peri-epididymitis, The Treatment of, 103.
- ERDMAN, JOHN F.: Fascial Transplant for Herniotomy, 243; Obstructive (Malignant) Jaundice, 273; Reconstruction of the Bile-ducts, 370; Splenectomy for Banti's Disease, 369.
- ERDMAN, SEWARD: Rectus Transposition in Hernia, 625.
- Ethmoid Bone, Sarcoma of the, 621.
- EWING, JAMES: Relation of Gastric Ulcer to Cancer, 715.

F

- Face, Congenital Clefts of the, 110; Defects, Prosthesis for, 623.
- Facial Carbuncle with Sinus Thrombosis, 119; Paralysis, Hypoglossal-facial Anastomosis for, 627.
- FALLON, LOUIS FLEMING: Spontaneous Pan-hysterectomy after Abdominal Contusion, 208.
- Fascial Transplant in Herniotomy, 241.
- Fat in the Appendix and Its Relation to Inflammation, 202.
- Feet, Paralytic, Bone Transplantation in, Surgical Treatment of, 163.
- Femoral Artery, Suture of Wound of, 255.
- Femur, Fracture of the, Splint for, 429.
- Fibromata, Multiple Recurring, 364.
- Finger Contracture Treated by Pedicled Abdominal Transplant, 114.
- Fingers, Webbed, 228.
- FISCHER, HERMANN: Hypoglossal-facial Anastomosis for Facial Paralysis, 627; Resection of Stomach for Ulcer by Polya-Balfour Method, 761; Technic of the Removal of the Gall-bladder, 620; Treatment of Traumatic Hæmothorax Penetrating Gunshot Wounds of the Chest, 707.
- Focal Infection as a Cause of Osteo-arthritis, 613.
- FOOTE, EDWARD M.: Transplant on Hand after Operation for Carcinoma, 629.
- Forearm, Compound Fractures of the, Apparatus for the Treatment of, 179.
- FORMAN, JONATHAN: Mixed Tumors of the Salivary Glands, 67.
- Fracture of the Cervical Spine Treated by Laminectomy, 108; of the Femur, Splint for, 429; of Skull, Depressed, Over Speech Centre, 632.
- Fracture-dislocation of the Cervical Spine, 107.
- Fractures, Compound, of the Forearm, Apparatus for the Treatment of, 179; of the Lower Jaw, By Leon Imbert and Pierre Real, Review of, 126; of the Orbit, by Felix Lagrange, Review of, 126; of the Spine with Cord and Root Symptoms, 63, 108; of the Spine Uncomplicated by Cord Injury, Operative Treatment of, 513.

INDEX

FRAZIER, CHARLES H.: Pin Perforating Appendix, 381; Surgery of Spastic Paralysis, 617.

Frontal Bone, Sarcoma of, 623.

FULD, JOSEPH E.: Bone Transplantation in the Surgical Treatment of Paralytic Feet, 163.

FURNESS, WILLIAM P.: The Use of Dichloramine-T in the Treatment of Infections and Infected Wounds, 14, 120, 122.

G

Gall-bladder, Technic of the Removal of, 620.

Gall-stone Ileus, 124.

Gall-stones, Multiple Operations for, 364.

Gastric Ulcer, Cautery Excision of, 725; Relation of, to Cancer, 715; Repeated Perforation of, 747; Resection of Stomach for, 761.

Gastroduodenal Ulcers, Perforated Hypochondriac Tympany Symptoms of, 255.

Gastroduodenostomy, 80.

Gastro-enterostomy Followed by Immediate Jejunal Feeding, 565.

Gastrostomy for Cancer of the Œsophagus, 750.

GAUDIANI, VINCENT: Kineplastic Amputations, 414.

Genito-urinary Surgery and Venereal Diseases, by White and Martin, Review of, 125.

GERSTER, ARPAD G.: Recollections of a New York Surgeon, Review of, 384.

GILL, A. BRUCE: Acute Dilatation and Spontaneous Rupture of the Stomach, 378; Hereditary Malformation of the Ear, 379; Surgery of Spastic Paralysis, 529; Transplant for Contracture of Finger, 114.

Glioma of the Upper Abdominal Cavity, 496.

Goitre, Exophthalmic, 750; Retrosternal, 230, 748.

Gonorrhœal Epididymitis Complicated by Peri-epididymitis, The Treatment of, 103.

GRANT, ARTHUR ROGERS: The Tying of a Surgical Knot, 439.

GRAVES, STEWART: Congenital Idiopathic Dilatation of the Colon, 734; Hygroma Colli, 71.

GREEN, NATHANIEL W.: Abscess of Liver Discharging Through Bronchi, 631; Chronic Lung Abscess, 368; Cicatricial Stricture of the Œsophagus, 231; Depressed Fracture of Skull Over Speech Centre, 632; Effect of Splenectomy, 235; Lung Abscess, 630; Pneumococcus Peritonitis, 248; Retrosternal Goitre, 230; Sarcoma of the Frontal Bone, 623.

Gunshot Wounds of the Chest, Penetrating, Treatment of, 707.

H

Hæmothorax for Penetrating Gunshot Wounds, 707.

Hand, Deep Palmar Infections of the, 152; Transplant on, After Operation for Carcinoma, 629.

HARRIGAN, ANTHONY H.: The Hypochondriac Tympany Symptom of Perforated Gastroduodenal Ulcers, 255.

HARTWELL, JOHN A.: The Chlorine Antiseptics in Civil Hospital Use, 385, 757.

HARVEY, SAMUEL CLARK: Congenital Variations in the Peritoneal Ascending Colon, Cæcum, Appendix and Terminal Ileum, 641.

HAWLEY, GEORGE W.: Hospital Bed Designed for Military Hospitals, 435; An Improved Military Ambulance, 226.

HAYNES, IRVING S.: Fascial Transplant in Herniotomy, 241; Hernia Following Transverse Abdominal Incision, 244; Multiple Operations for Gall-stones, 364; Reconstruction of the Bile-ducts, 371; Repair of Complete Vaginal Lacerations, 501; Splenectomy for Splenomegaly, 243.

Head Traumas, Pulse-rate and Blood-pressure, Observations in, 51.

HENDERSON, MELVIN S.: Mechanical Derangement of the Knee-joint, 738.

Hernia, Congenital, of the Diaphragm, 748; Femoral, Simulated by Saphenous Varix, 471; Following Transverse Abdominal Incision, 244; Inguinal, Appendix in Sac of, 376; Inguinal, with Ovary and Tube in Sac, 380; Inguinal, Rectus Muscle Transposition in Certain Cases of, 465; Left Paraduodenal, 195; Rectus Transposition in, 624; Recurring after Macewen Operation, 245; Umbilical, Relief of, by Condemin-Ranshof Technic, 732.

INDEX

- Herniotomy, Fascial Transplant in, 241.
 HEWSON, ADDINELL: Hair Pins in Abdominal Cavity, 381.
 HITZROT, JAMES M.: Duodenal Leakage through the Common Duct, 236; Effect of Splenectomy, 233, 540; Lacerated Wound of Leg, 229; Wiring of Fractured Olecranon, 762.
 HOGUET, J. P.: Carcinoma of the Undescended Testis, 747; Repeated Perforation of Gastric Ulcer, 747; Retrosternal Goitre, 748.
 HONEIJ, JAMES: Note on Tuberculosis of the Spine, 165.
 HORSLEY, J. SHELTON: Use of Olive Oil in Blood-vessel Suturing, 468.
 Hospital Bed Designed for Military Hospitals, 435.
 HOTCHKISS, LUCIUS W.: Hydronephrosis, 370; Multiple Operations for Gallstones, 366; Reconstruction of the Bileducts, 372; Rectus Transposition in Hernia, 624; Treatment of Traumatic Hæmothorax, Penetrating Gunshot Wounds of the Chest, 707; Wiring of Fractured Olecranon, 762.
 Hydronephrosis, 370.
 Hygroma Colli, 71.
 HYMAN, A.: The Mechanism of Obstruction in Prostatic Adenoma, 493.
 Hyperthyroidism, Conservation of the Thyroid in, 447.
 Hypochondriac Tympany Symptom of Perforated Gastroduodenal Ulcers, 255.
 Hypogastric Artery and Its Branches, Composite Study of, 584.
 Hypoglossal-facial Anastomosis for Facial Paralysis, 627.
 Hysterectomy, Spontaneous, after Abdominal Contusion, 208.
- ### I
- Ileocæcal Valve, Technic of Operation for the Repair of the, 83.
 Ileus Due to Gall-stone, 124.
 Ilium, Chondroma of Anterior Surface of, 247.
 Infected Wounds, The Use of Dichloramine-T in the Treatment of, 14, 120.
 Infections, Deep Palmar Hand, 152.
 Inflammatory Tumors of the Abdomen, 308.
- Intestinal Obstruction: An Experimental Study, 210; from Omphalomesenteric Duct, 575.
 Intestine, Perforation of, by Swallowed Toothpick, 381.
 Intussusception with Accessory Pancreas, 293.
- ### J
- Jaundice, Obstructive Malignant, 273.
 Jaw, End Results in Extensive Necrosis of the, 377; Lower, Fractures of the, Review of Imbert and Real on, 126.
 Jejunal Feeding, Immediate, After Gastroenterostomy, 565.
 JUDD, EDWARD STARR: Effect of Trauma Upon Laryngeal Nerves, 257; Symptoms Following Operations on the Biliary Tract, 473.
- ### K
- KAHN, LEE: Hygroma Colli, 71.
 KAMMERER, FREDERIC: Cancer of Ampulla of Vater, 369.
 KELLOGG, JOHN HARVEY: Technic of Operation for the Repair of the Ileocæcal Valve, 83.
 Kidney, Solitary Stone in, Anuria, 239.
 Kidneys, Stones in Both, 755.
 Kineplastic Amputations, 414.
 KLOPP, E. J.: Gall-stone Ileus, 124.
 Knee-joint, Mechanical Derangement of the, 738; Wounds of the, Treatment of, 170.
 Knot, Surgical, The Tying of a, 439.
 KRETSCHMER, HERMAN L.: Acute Dilatation of the Stomach Following Prostatectomy, 489.
- ### L
- LA GRANGE: Fractures of the Orbit, Review of, 126.
 LAMBERT, ADRIAN V. S.: Dakin Fluid, Use of, in Civil Hospitals, 757; Pneumococcus Peritonitis, 247.
 Laryngeal Nerves, Effect of Trauma Upon, 257.
 LEE, WALTER E.: The Use of Dichloramine-T in the Treatment of Infections and Infected Wounds, 14, 120.
 Leg, Lacerated Wound of, 229.

INDEX
